

## Your Membership Matters!

Thank **YOU** for demonstrating your **support** for **community** health care!

The vision for the Philanthropic Councils is to create a voice for advocacy and diversity, developing memberships and a database of individuals that would like to be involved with Scarborough and Rouge Hospital Foundation (SRHF) and/or Scarborough and Rouge Hospital (SRH). Through information sharing and engaging in feedback and exchange, council executives act as an inclusive voice from a culturally diverse perspective. Specifically, each council cultivates events identified by its members and is responsible for identifying and soliciting prospective major gifts within the community, while also focusing effort on motivating advocacy and political movement.

### Benefits of being a Member:

As a Philanthropic Council Member, you will receive timely information on events and health care related topics as well as:

- ✓ Exclusive Hospital communications
- ✓ Report to Community
- ✓ Invitation to our Philanthropic Council development and networking session
- ✓ Behind-the-scenes look at Scarborough and Rouge Hospital health care and future directions
- ✓ Invitation to exclusive Foundation recognition events

Through being a Philanthropic Council Member, you will also have the ability to...

- ✓ Take pride in creating change, being a leader and empowering your community
- ✓ Network with a group of likeminded individuals
- ✓ Lend your industry expertise to demonstrate your support for community health care

*For more information about Philanthropic Councils or any membership benefits, please contact Danielle Burke at 416-281-7265 or [dburke@tsh.to](mailto:dburke@tsh.to).*
